Board Member Opportunity

Accountability

The Board of Directors of the Prince Edward Family Health Team has a governance model that is focused on community-based primary health care and aligns with the Mission and Vision of the organization.

Directors provide oversight for the health of the organization and accountability to stakeholders. The trustworthy governance practice includes legislative compliance, monitoring risks, quality, and practice standards, and achieving performance outcomes that align with Health Quality Ontario and the accountability agreement with the Ministry of Health and Ontario Health.

The Board is responsible for stewardship which includes active participation in strategic planning, determining strategic priorities, and assessing and monitoring strategic and operational level outcomes.

Commitment

Directors can expect to provide up to six hours per quarter by attending one Board meeting per month and participating in one Board committee per month. Directors serve a three-year renewable term with a maximum term of six years. As a member of the Board, directors are requested to participate on Board committees that also meet quarterly or at the call of the Chair. On occasion, there may be participation at regional or provincial meetings, the AGM, and Team Day that is required.
