A Caregiver's Guide to Well-Baby Checks

Guide to Understanding Developmental Milestones, Well-Baby Checks and Immunizations

www.pefht.ca

At each Well-Baby Check you can expect:

- ✓ A brief physical assessment including listening to heart and lung sounds, height, weight, head circumference
- ✓ Inquiries about child eating habits, sleeping habits, and development
- ✓ An opportunity to ask questions in a non-judgmental environment
- ✓ Voice your concerns for your child to health care professionals

Nipissing Developmental Screen

The Nipissing Developmental Screen will be completed at each visit to provide a snapshot of your child's development. The checklist will cover developmental areas such as vision, hearing, emotional, fine motor, gross skill, social, self-help, communication, and learning thinking.

By 2 Months does your child:

- Startle or wake to loud noises?
- Stop crying when comforted by you?
- Have different cries and sounds?
- Feed every 2-4 hours during the day?
- Lift head when on tummy?

By 4 Months does your child:

- Make some sounds when looking at toys or people?
- Respond to you by making sounds and moving arms and legs?
- Lift head and chest and support self on forearms when placed on tummy?
- Reach for an object briefly when placed in hand?

By 6 Months does your child:

- Turn head and look in the direction of a new sound?
- Respond to own name?
- Roll from back to side?
- Sit with support?
- Pat and pull at your hair, glasses, or face?

By 9 Months does your child:

- Imitate facial expressions?
- Babble a series of different sounds?
- Attempt to move by crawling, "bum" shuffling, or pivoting on tummy?
- Pick up small items using thumb and first finger?

By 12 Months does your child:

- Understand simple requests and questions?
- Consistently use three or more words?
- Crawl or "bum" shuffle easily?
- Pull up to stand at furniture?
- Show many emotions such as affection, anger, joy or fear?

By 15 Months does your child:

- Use five or more words?
- Use connected sounds that seem like little stories?
- Respond to own name when called?
- Recognize some body parts on self and on dolls?
- Stack two blocks?
